- e. Mahoningside Power Plant (OHN000508061), 650 Summit Street NW, Warren, OH

Please note that I am willing to accept USEPA's production of documents in piecemeal or on a rolling basis, and such production is preferred as opposed to USEPA waiting until all records responsive to each individual request in this FOIA have been located before producing any records. For example, if USEPA locates all records responsive to #1.a and #2.b, above, please produce those records when they are located as opposed to withholding those documents until all other responsive records are located.

Thank you for your attention to this matter. Please contact me at rdelliott@vorys.com if you have any questions or need additional information to promptly process this FOIA request.

Sincerely,

/s/ Ryan D. Elliott
